

The Concrete Masonry & Hardscapes Association (CMHA) represents US and Canadian producers and suppliers in the concrete masonry and hardscapes industry, as well as contractors of interlocking concrete pavement and segmental retaining walls.

Our name may be new, but our contributions to the masonry and hardscape industry are not.

CMHA is your trusted source for:

-  Technical Information (FAQ's, Tech Notes, Manuals & Guides, Detail Drawings, Technical Papers, Guide Specs, and Industry Experts)
-  Hardscape and Masonry Design Software
-  Education, Certification and Training (in-person, online, webinars, etc.)
-  Market Research and Reports
-  Hardscape Workforce Development
-  News and Insights
-  And much more

Let's build a strong future together. Learn more at masonryandhardscapes.org
